CE Mark affixed to the motors first time 2008.

*These products comply with the RoHS Directive 2011/65/EU including commission delegated Directive (EU) 2015/863 for installation in a machine. Safety depends upon installing and configuring the motor per the manufacturer's recommendations. The machine in which this product is to be installed must conform to the provisions of the EMC Directive 2014/30/EU. The installer is responsible for ensuring that the end product complies with the EMI requirements and all of the relevant laws in the country where the equipment is installed.*

*Additional information:*

*Proper installation and operating instructions are available for use with this product.  
Technical File documentation (CE rationale and test certificates) is available (for EU authorities only).  
Production and change is controlled under ISO 9001:2015 certified processes and procedures.  
Product is compliant with UL 1004-1 and CSA 22.2 No. 100.*
